PAB1123: SCREAMIN' EAGLE PAN AMERICA ACCESSORIES - CARB

Purpose for Parts and Accessories Bulletin

To inform California dealerships that four Screamin' Eagle® (SE) accessories for 2021 Pan America models have been granted Executive Order (EO) approval by California Air Resources Board (CARB).

Markets Affected

California only.

Key Messages

- CARB has provided EO approval to advertise, sell, and install SE products for 2021 Pan America models.
- California specific part numbers have been created and are listed below.
- These California part numbers are able to be ordered effective immediately. Please note, 49-State Stock Keeping Units (SKUs) will remain blocked.

Summary and Parts Affected

The following SE products are now available to order from California dealers. The fitment of these products is for 2021 Pan America models only.
