RE: Request for Visit: 2020-2021 NSX Steering Wheel Noise

This message is solely directed to Acura dealership personnel; please handle it accordingly.  
Print this iN message and provide a copy to the Shop Foreman and all Service Consultants.

**Background**

American Honda Motor Co., Inc. (AHM) is searching for certain 2020-2021 NSXs with a client complaint of steering wheel noise. Noise can be described as a rattle, clicking, or knocking. To better understand the cause of this condition, AHM would like to inspect the vehicle prior to you attempting a repair of any kind.

**Qualifiers**

AHM is interested ONLY if the vehicle meets the following requirements:

1. Must be able to duplicate the noise
2. No previous replacement of steering wheel components.
3. No repair has been attempted for this issue.

**Action Required**

If a vehicle matching the qualifiers above comes into your dealership, please e-mail Technical Information & Support (TIS) at [tis@ahm.honda.com](mailto:tis@ahm.honda.com). TIS will contact you to record certain vehicle information and provide you with further instructions.

Please be sure to include the following information in your e-mail.

E-mail Title:

1. Model Year (e.g. 2020)
2. Model Name (e.g. TLX)
3. Issue (e.g. Brake Judder)
4. VIN

E-Mail Body:

1. Dealer Number
2. Your Name
3. Best Phone Number to be Reached
4. Current Mileage

Thank you.
