

Western Star Multi-Color Paint Designs - WST185

Communication Type: Product News

Date: 3/14/2022

Effective: New Orders on or after March 14, 2022

Cab/Hood paint will be limited to Paint: One Solid Color (065-000) for Western Star 4700, 4800, 4900, and 6900 models built at Portland Truck Plant. Custom Paint Designs (065-999) along with the following paint design codes will no longer be available:

- 065-902 Two Color Custom Paint
- 065-903 Three Color Custom Paint
- 065-904 Four Color Custom Paint
- 065-905 Five Color Custom Paint
- 065-906 Six Color Custom Paint

As stated, the limitation applies only to Portland-built "legacy" Western Star models detailed above; the change is in response to upcoming VOC (volatile organic compounds) emissions limitations that will impact the Portland plant.

Additionally, no painted fuel tanks will be available for Western Star 4700, 4800, 4900 and 6900 models ordered on or after March 14, 2022. The fuel tank paint code will be limited to 98C-998.
