STOP DELIVERY ORDER

On March 17, 2022, GM ordered a stop delivery of certain 2002 model year Chevrolet Silverado 2500HD/3500HD, 2022 model year GMC Sierra 2500HD/3500HD and 2021-2022 model year Chevrolet Silverado 4500HD/5500HD/6500HD vehicles.

Certain vehicles have been removed from the stop delivery order and their status in IVH has been updated to Open as of April 13, 2022. Attached is a list of VINs that have their stop delivery order lifted and are available for sale. Dealers will be advised of Floor Plan information later this week.

Further information on the remaining vehicles will be provided in the near future.

Until further instructions are received, new vehicles subject to this stop delivery order must be held and not delivered to customers, dealer-traded, released to auction, used for demonstration purposes or any other dealer use.
