Correction:

General Motors Technical Assistance Center part restriction on the 10L60, 10L80 10 speed Gen II automatic transmissions for the 2021 Cadillac CT4, CT5 and the 2021 Chevrolet Camaro has ended.

We would like to thank all dealers who participated in this restriction for their cooperation.

These transmissions can now be ordered through the regular GM CCA parts process or PQC process for required dealers (Canada).

Use the vehicle identification number (VIN), SI, and the GM Electronic Parts Catalog to determine the correct part to order.
