Technical Bulletin**

General Information

Effective April 20, 2022, owners of New Cascadia vehicles have the option of replacing factory-installed standard windshields with L20 TufGlass windshields.

NOTE: When installing a new TufGlass windshield, a new replacement seal (A18-67041-000) must also be installed.

Replacement Parts

| TufGlass Replacement Windshield Part Numbers | | |
|--|---------------------|----------------------|
| | Current Part Number | TufGlass Part Number |
| With DA 5.0 | A18-71102-001 | A18-71102-006 |
| No DA | 18-67040-006 | 18-73350-002 |
