Technical Bulletin #: **42a**

Subject: Jost Landing Leg Retention Countermeasure

Description: We have become aware that in certain situations that road vibration can cause the Jost landing leg to extend.

- A countermeasure is required to ensure leg extension does not occur during trailer operations
- Timpte will reimburse Dealers ½ Hour Labor to install the Retention Component
- This countermeasure impacts all 2022 model and 2023 model Timpte Trailers

Effective Date: April 8, 2022

ECN: N/A

New Parts:

Kit #577-301920 (drawing attached)
