

NUMBER: 08-044-22

GROUP: 08 - Electrical

DATE: March 8, 2022

This bulletin is supplied as technical information only and is not an authorization for repair. No part of this publication may be reproduced, stored in a retrieval system, or transmitted, in any form or by any means, electronic, mechanical, photocopying, or otherwise, without written permission of FCA US LLC.

SUBJECT:

Flash: Air Suspension Control Module (ASCM)

OVERVIEW:

This bulletin involves reprogramming the ASCM with the latest available software.

The ASCM software update is being released as a generic release to support ASCM replacement only in service.

MODELS:

2022 (WS) Grand Wagoneer/Wagoneer

NOTE: This bulletin applies to vehicles within the following markets/countries: North America and EMEA.

NOTE: This bulletin applies to vehicles equipped with Quadra-Lift™ Air Suspension (Sales Code SER).

DISCUSSION:

There are no fixes for customers facing symptoms contained in this software.

CAUTION! Only if ASCM replacement is necessary should the module need updated with this software. Refer to the detailed service procedures available in DealerConnect> Service Library under: Service Info> 08 - Electrical / 8E - Electronic Control Modules / Module, Air Suspension Control (ASCM) / Removal and Installation.

POLICY:
