Local Interconnect Network (LIN) Hybrid Switch Harness Availability

Section

Cab - 02

Subject

Local Interconnect Network (LIN) Hybrid Switch Harness Availability

Whats New Abstract

Info Only

LIN hybrid switch harnesses are available to order from PACCAR Parts.

Condition

LIN hybrid switches installed at the factory were inoperable due to the lack of a harness that connected the switches to aftermarket items.

Chassis Affected

Model year 2019 and newer chassis with local interconnect network (LIN) hybrid switches installed during production.

Action

Info Only

No action required. This bulletin is to provide information on the availability of the LIN hybrid switch harness.

Parts

Parts are available from PACCAR Parts.

Quantity	Part Number	Description
1*	S92-6450	LIN Switch Harness

*As Needed

Background

Chassis built with LIN hybrid switches were not equipped with the harness necessary to utilize the switches.
