**Background**

American Honda Motor Co., Inc. (AHM) is searching for certain 2021-2022 TLXs (non-Type S) with a client complaint of a judder from the front brakes when applying the brakes. AHM is interested ONLY if the vehicle meets the following requirements:

1. Must be able to duplicate the issue.
2. The front pads, calipers or discs have not been replaced previously.
3. No repair has been attempted for this issue.

**Action Required**

If a vehicle matching the qualifiers above comes into your dealership, please e-mail Technical Information & Support (TIS) at [tis@ahm.honda.com](mailto:tis@ahm.honda.com). TIS will contact you to record certain vehicle information and provide you with further instructions.
