TECHNICAL SERVICE BULLETIN

SUBJECT:

VEHICLES SHIPPED WITH ONE SMART KEY FOB

This bulletin provides information regarding some 2023MY Seltos (SP2) vehicles equipped with Smart Key FOB (A), produced from June 9, 2022 through current, which may have been shipped with only one (1) Smart Key FOB (A) and two (2) mechanical keys (B). Normally, these vehicles are shipped with two (2) Smart Key FOB (A) per vehicle. At this time, only one (1) Smart Key FOB (A) will be included with the vehicle along with two (2) mechanical keys (B).

NOTICE

Due to supplier shortages, the additional missing Smart Key FOB will be provided at a later date, pending further update from supplier. Customer will be notified as soon as it becomes available.

IMPORTANT

- This Technical Service Bulletin (TSB) will remain open for informational purposes.
- You may sell or deliver any affected vehicle during the open TSB period.
- There will be no charge to the vehicle owner once the Smart Key becomes available.
- Do not file a Transport/Warranty Claim for the missing Smart Key FOB.
