

GPOP - Issue Review System

Part Number: 68282010A\$

Part Description: GASKET, Timing Case Cover, Rear Gear Housing

Issue Description: For 2021 Model Year only. If you are replacing the timing gear housing gasket due to an oil leak, please be sure to also replace all outer timing gear housing bolts (PN# 04638665 and 04882109). Do not discard these bolts as engineering will be requesting them to be returned for analysis.
