USA Only

Porsche Special Tools & Equipment in North America has tested the CPWP15 with our Flying Doctor Tool kit and feel it is a comparable scale to use at the dealer level for measuring the ceramic paste removal weight for the battery repairing process. We will supersede the part number VAS 231 007 to CPWP15 and start the autoship process for the scale starting CW36/22, Monday, September 5, 2022. The Case SRKCPWP15CASE will soon follow. If you have any questions on the supersession or the CPWP15 scale, please be sure to reach out to Porsche Special Tools & Equipment at [askthetoolguy@porsche.us](mailto:askthetoolguy@porsche.us)
