
Corner Weight / Alignment Scales

Technical Support

1734.1

USA Only

Porsche Special Tools & Equipment has recognized the need for Weighing Scales to complete alignment, ride height and chassis setup for all Porsche GT Cars and the 918 Spyder. (refer to WM#449503 for details). These scales will be considered a minimum required tool and we have worked out a discount with Longacre Racing Products. Since a few dealers already have scales, we will be taking orders for the scales of your choice from the list below. Please have your orders scanned and emailed no later than April 21, 2017 to askthetoolguy@porsche.us. Please fill in the attachment below and attach a PO# for purchase. We will place the order at one time for the discount and then your dealer will be billed through the parts statement.

If you have any questions regarding these tools please contact Special Tools & Equipment at:
askthetoolguy@porsche.us
