A: To support the initial service actions, all dealers will be eligible to be reimbursed for the additional premium vehicle services during the duration of this Warranty Bulletin. Going forward, only Wagoneer Certified dealerships will earn incentives for meeting the Ten Customer Promises.

Q: What is the Active Service Delivery?

A: A validation performed by the Service Manager or Shop Foreman to confirm all service actions have been performed successfully, and will ensure a positive Fixed First Visit. Please see the attached checklist for all of the required steps to complete this process. The Active Service Delivery **MUST** be performed by the Service Manager or Shop Foreman.
