

Good Afternoon,

A representative from our team has attempted to reach you via phone recently and was unsuccessful.

As a final reminder, there are open recalls on your WAGONEER at this time and we encourage you to go to a local Stellantis Certified Dealership for service. If you are in need of assistance to schedule please call Wagoneer at 833-667-4825.

No reply is needed to this email.

Thank you again for being apart of the WAGONEER Family and we hope you have a wonderful 2022.

The Wagoneer Team
