

STAR ONLINE PUBLICATION

Case Number: S2108000236 REV. A

Release Date: March 2022

Symptom/Vehicle Issue: Windshield HUD (Head Up Display) Display Features

Discussion: Owner is looking for items to set in the HUD. Vehicle must be equipped with LBK HUD (Head Up Display) sales code.

The windshield Head-up Display (HUD) is an optional full-color unit that can be customized through the Driver Information Digital Cluster and the standard Uconnect touchscreen system.

The HUD system can display more or less information based on the customer's choice of layout and the vehicle's features, which may be included if equipped:

- Current speed and Speed Limit – example speed limit signs require sales code **SJB**
- Adaptive cruise control
- Lane Departure graphics and Lane Keep Assist warnings
- Night Vision warnings (Jeep and Wagoneer)
- Turn-by-turn navigation
- Current gear

This document does not authorize warranty repairs. This communication documents a record of past experiences. STAR Online does not provide any conclusions about what is wrong with the vehicle. Rather, it captures all previous cases known that appear to be similar or related to the vehicle symptom / condition. You are the expert, and you are responsible for deciding on the appropriate course of action.
