This document conveys Volkswagen Warranty general information.

Time Recording Waiver for Recall 06G1, 06G2 & 06G4

Recall 06G1, 06G2 & 06G4 requires dealers to print supplemental Owner's Manual documents and place them in the vehicle's glove compartment. Because this action does not require technical expertise, many dealers may have personnel other than technicians perform this recall.

As a result, Volkswagen Warranty is waiving the requirement for time punching for all dealer personnel on all 06G1, 06G2 & 06G4 Recall claims. All other standard documentation requirements are still required.
