

## GPOP - Issue Review System

**Part Number:**

68444256A\$ ,05086755A\$

**Part Description:**

---

Seal, Crankshaft Oil, Rear, Retainer, Crankshaft Oil Seal

---

**Issue  
Description:**

US dealers only:

If you are replacing the rear main seal due to an oil leak, do NOT remove the seal from the retainer. Replace the seal and retainer (pn# 05086755A\$) as a complete unit. Engineering needs to obtain the seals and retainers back for analysis without them having been disassembled. Once repairs are complete, please contact FCA Redacted Content to return the parts.
