A9 Monsoon Single Engine Model Sweepers Hopper Lift

Safety Notice

Single Engine A9 Sweepers

CEASE OPERATION of SWEEPER

Dump body may continue to lift after passing the center point of travel.

Condition:

- In some cases, while lifting the hopper, the hopper may continue to lift.
- This can happen even if the control switch is returned to neutral.
- This can happen in the last few inches of travel or once the hopper goes over its center point.

A formal notice with more detailed instructions will follow
