

**WLD5 - Replacing Hose for Positive Crankcase Ventilation (Workshop Campaign)**

Vehicle Type: **Cayenne (9YA)**

Model Year: **As of 2018 up to 2019**

Equipment: 3.0-liter V6 monoturbo

Subject: **Positive crankcase ventilation hose**

Information: **A part-load valve was installed in the hose for crankcase ventilation on the affected vehicles which has a sealing washer that does not meet the required specifications and could possibly crack when the crankcase pressure rises.**

Consequently, small amounts of engine oil can leak from the oil filler cover into the adjacent engine compartment, resulting in a reduced engine oil level over time. The driver is alerted by an appropriate warning message if the engine oil level is too low.

Remedial Action: Replace positive crankcase ventilation hose with intake manifold.

Affected Vehicles: Only vehicles assigned to the campaign (see also PCSS Vehicle Information).

## Installation

## Position:

*Installation location for positive crankcase ventilation hose.*

- 1** – Positive crankcase ventilation hose
- 2** – Intake manifold

Vehicle Type: **Cayenne S (9YA)**

Equipment: 2.9-liter V6 biturbo

Subject: **Positive crankcase ventilation hose**

Information: **A part-load valve was installed in the hose for crankcase ventilation on the affected vehicles which has a sealing washer that does not meet the required specifications and could possibly crack when the crankcase pressure rises.**

Consequently, small amounts of engine oil can leak from the oil filler cover into the adjacent engine compartment, resulting in a reduced engine oil level over time. The driver is alerted by an appropriate warning message if the engine oil level is too low.

Remedial Action: Replace positive crankcase ventilation hose with intake manifold.

Affected Vehicles: Only vehicles assigned to the campaign (see also PCSS Vehicle Information).

Installation Position:

*Installation location for positive crankcase ventilation hose.*

- 1 – Positive crankcase ventilation hose
- 2 – Intake manifold

**Parts required (Cayenne - 3.0-liter V6 monoturbo)**

Parts Info:	<b>Part No.</b>	<b>Designation</b>	<b>Qty.</b>
	V04015001M	⇒ Vent line with intake manifold	1 ea.

**Parts required (Cayenne S - 2.9-liter V6 biturbo)**

Parts Info:	<b>Part No.</b>	<b>Designation</b>	<b>Qty.</b>
	V04015001N	⇒ Vent line with intake manifold	1 ea.

**Required tools**

- Tools:
- Torque wrench, 2 - 10 Nm (1.5 - 7.5 ftlb.), e.g. **VAG 1783 Torque wrench, 2-10 Nm (1.5-7.5 ftlb.)**
  - Torque wrench, 6–50 Nm (4.5–37 ftlb.), e.g. **VAG 1331A Torque wrench, 6-50 Nm (4.5-37 ftlb.)**

**Replacing the positive crankcase ventilation hose with intake manifold (Cayenne - 3.0-liter V6 monoturbo)****CAUTION****Hot components**

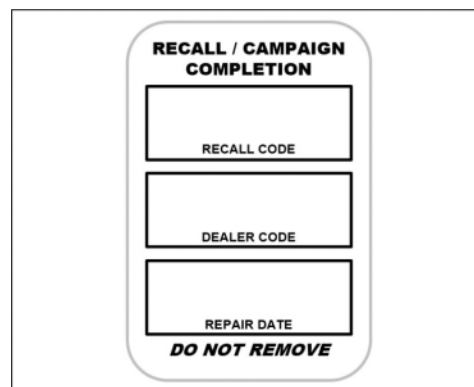

- **Risk of burns**
- ⇒ **Let hot components cool down.**
- ⇒ **Wear personal protective gear.**

Work Procedure: 1 Replace hose for crankcase ventilation with intake manifold ⇒ *Workshop Manual '212419 Remove and install intake manifold (V6 monoturbo)'*.

Part No.	Designation	Qty.
V04015001M	Vent line with intake manifold	1 ea.

- 2 Attach **Recall Proof of Completion label** to the front lid (**California dealers only**).
- Instructions for attaching labels**
- Surfaces on which you intend to attach the label must be clean, dry and free from grease and oil residues.
  - Before attaching the label, clean the surfaces using a suitable cleaning agent and a clean, grease-free and lint-free cloth.
  - This label must not be affixed over existing label.
  - Attach label only at the specified positions.

- 2.1 Fill out the Recall Proof of Completion label ⇒ *Recall Proof of Completion Label* fully and correctly. This includes the recall code “**WLD5**”, your dealer code and the repair date.
- 2.2 Clean the surface in the lower area on the front lid at the left-hand side in direction of travel at which the Recall Proof of Completion label must be attached ⇒ *Proof of Completion Label: specified position (Exemplary illustration — Cayenne (9YA) position accordingly)* -**arrow**- using a suitable cleaning agent and a clean, grease-free and lint-free cloth.
- 2.3 Affix Recall Proof of Completion label in the lower area of the front lid at the lefthand side in direction of travel ⇒ *Proof of Completion Label: specified position (Exemplary illustration — Cayenne (9YA) position accordingly)* -**arrow**-.
- 2.4 Close front lid.

*Recall Proof of Completion Label*

- 3 Fill out **Recall Proof of Correction Certificate** and supply to customer (**California dealers only**). Proof of Correction Certificates can be ordered through PPL in packs of 250, or a template can be used which is found on PPN: <https://ppn.porsche.com/portal/docs/DOC-427025>
- 4 Enter the campaign in the Warranty and Maintenance booklet.

*Proof of Completion Label: specified position (Exemplary illustration — Cayenne (9YA) position accordingly)*

**Replacing the positive crankcase ventilation hose with intake manifold (Cayenne S - 2.9-liter V6 biturbo)**

**Hot components**

- Risk of burns
- ⇒ Let hot components cool down.
- ⇒ Wear personal protective gear.

Work Procedure: 1 Replace hose for crankcase ventilation with intake manifold ⇒ *Workshop Manual '212419 Remove and install intake manifold (V8 Biturbo)*'.

Part No.	Designation	Qty.
V04015001N	Vent line with intake manifold	1 ea.

2 Attach **Recall Proof of Completion label** to the front lid (**California dealers only**).  
**Instructions for attaching labels**

- Surfaces on which you intend to attach the label must be clean, dry and free from grease and oil residues.

⇒ *Recall Proof of Completion Label* fully and correctly. This includes the recall code "**WLD5**", your dealer code and the repair date.

2.2 Clean the surface in the lower area on the front lid at the left-hand side in direction of travel at which the Recall Proof of Completion label must be attached ⇒ *Proof of Completion Label: specified position (Exemplary illustration — Cayenne (9YA) position accordingly)* -**arrow**- using a suitable cleaning agent and a clean, grease-free and lint-free cloth.

2.3 Affix Recall Proof of Completion label in the lower area of the front lid at the lefthand side in direction of travel ⇒ *Proof of Completion Label: specified position (Exemplary illustration — Cayenne (9YA) position accordingly)* -**arrow**-.

2.4 Close front lid.

- 3 Fill out **Recall Proof of Correction Certificate** and supply to customer (**California dealers only**). Proof of Correction Certificates can be ordered through PPL in packs of 250, or a template can be used which is found on PPN: <https://ppn.porsche.com/portal/docs/DOC-427025>

*Recall Proof of Completion Label*

*Proof of Completion Label: specified position (Exemplary illustration — Cayenne (9YA) position accordingly)*

- 4 Enter the campaign in the Warranty and Maintenance booklet.

**Warranty processing (Cayenne - 3.0-liter V6 monoturbo)**

**Information**

The specified working time was determined specifically for carrying out this campaign and may differ from the working times published in the Labor Operation List in the PCSS.

Scopes 1 - 2: **Not relevant** for this **vehicle type**.

Scope 3: **Replacing the positive crankcase ventilation hose with intake manifold**

- Vehicles with **3.0-liter V6 monoturbo**

<b>Working time:</b>		
Replacing positive crankcase ventilation hose with intake manifold		Labor time: <b>113 TU</b>
Includes: Removing and installing the air filter housing		
Removing and installing the intake manifold		
Removing and installing the front trim panel (engine compartment)		
Removing and installing the intermediate piece		
Attach Recall Proof of Completion label and provide signed proof of correction to customer (California dealers only)		
<b>Parts required:</b>		
V04015001M	Vent line with intake manifold	1 ea.
PNA EMI 000 00	Label - Recall Proof of Completion	1 ea.
PNA 999 100 235	Certificate - Recall Proof of Correction	1 ea.
<ul style="list-style-type: none"> <li>• For warranty processing, enter the Part No. <b>PNA EMI 000 00</b> with the designation "label" as a <b>local part</b> at US\$ 0.34 in the warranty claim.</li> <li>• For warranty processing, enter the Part No. <b>PNA 999 100 235</b> with the designation "certificate" as a <b>local part</b> at US\$ 0.01 in the warranty claim.</li> </ul>		
⇒ <b>Damage Code WLD5 066 000 2</b>

**Important Notice:** Technical Bulletins issued by Porsche Cars North America, Inc. are intended only for use by professional automotive technicians who have attended Porsche service training courses. They are written to inform those technicians of conditions that may occur on some Porsche vehicles, or to provide information that could assist in the proper servicing of a vehicle. Porsche special tools may be necessary in order to perform certain operations identified in these bulletins. Use of tools and procedures other than those Porsche recommends in these bulletins may be detrimental to the safe operation of your vehicle, and may endanger the people working on it. Properly trained Porsche technicians have the equipment, tools, safety instructions, and know-how to do the job properly and safely. Part numbers listed in these bulletins are for reference only. The work procedures updated electronically in the Porsche PIWIS diagnostic and testing device take precedence and, in the event of a discrepancy, the work procedures in the PIWIS Tester are the ones that must be followed.
