Dear Tiffin Motorhome Customer,

Please see the letter printed on the reverse from Cummins Inc, about a safety recall Cummins has released that is applicable for the VIN listed above. For any questions regarding this safety recall, please contact Cummins Care at 1-800- CUMMINS (1-800286-6467) or visit their website at care.cummins.com

If you do not have the engine serial number or in-service date for your motorhome, please contact Freightliner Customer Service at 1-800-385-4357.

Thank you for your attention to this matter,

Tiffin Motorhomes Recall Department

***** IMPORTANT SAFETY RECALL *****
NHTSA Recall No. 22E-063
Cummins Campaign #C2614

September 26, 2022

Dear Cummins Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Cummins Inc. has decided that a defect which relates to motor vehicle safety exists in certain Cummins B6.7, L9, X12 and X15 engines that were manufactured between May 13, 2022 and June 28, 2022.

This notice applies to the engine(s) listed on the enclosed table.

WHAT IS THE PROBLEM?

Your engine is equipped with an Engine Control Module (ECM) that may have a manufacturing defect that could result in an engine stall without warning. An unexpected engine stall without the ability to restart the engine may lead to an increased risk of a crash.

WHAT ARE WE DOING ABOUT THE PROBLEM?

Cummins has released Safety Campaign #C2614 CM2450 ECM Replacement Safety Campaign to address this condition by replacing the ECM. This campaign is currently available at Cummins Distributors and authorized Warranty Dealers. The repair will be completed free of charge and most applications will require approximately 1.3 hours to complete.

WHAT SHOULD YOU DO?

Contact the nearest Cummins Distributor or authorized Warranty Dealer to arrange to have this safety action performed on your engine(s). The distributor or dealer will work with you to schedule the best date to complete this repair.

If you have not registered your Cummins product, please complete the enclosed registration card or register your product at <https://prodreg.cummins.com/prodreg/#/webform/contactInfo>.

If you are no longer the owner of the engine(s) listed on the enclosed table, please forward this notice to the new owner or provide the new owner's contact information to Cummins so that we can notify them of this recall.

Federal law requires vehicle lessors receiving this recall notice to forward a copy of this notice to the lessee within ten (10) days. Also, it is a violation of Federal law for a dealer to deliver a new vehicle or equipment covered by this recall notice under a sale or lease until the defect has been remedied.
