## Repair Available – Emissions Service Action 3704 / TCM Software

**This notice is for:**

- ✓ Dealer Principal
- ✓ General Manager
- ✓ Sales Managers

- ✓ Service Manager
- ✓ Parts Manager
- ✓ Service Advisor

- ✓ Warranty Administrator
- ✓ Technicians

**Date:** November 28, 2022

**Issue:** Audi has determined that a small number Transmission Control Modules (TCMs) contained an incorrect software version due to a service parts error. The emissions impact is undetermined for vehicles affected by this action.

- Repair:**
- REPAIR AVAILABLE – November 29, 2022 - Update the TCM software
  - See ELSA/ServiceNet for complete repair & claiming instructions
  - Check daily campaign open inventory report or OMD for affected vehicles in inventory
  - Repair every affected inventory vehicle before delivery to consumers.

**Parts Department:** Software update – no parts needed.

**Affected Vehicles**

Country	Beginning Model Year	Ending Model Year	Vehicle	Vehicle Count
USA	2013	2015	Q7 TDI	7

*\*Counts reflect overall population; some vehicles may have already been repaired. Check Campaigns/Actions screen in Elsa on the day of repair to verify that a VIN qualifies for repair under this action. Elsa is the only valid campaign inquiry & verification source.*

- Notes:**
- Schedule owner repairs immediately
  - Owner mailing – November 2022

**Requirements for Emissions Campaigns Having Customer Notification (CALIFORNIA ONLY)**

The California Air Resources Board and the Department of Motor Vehicles (DMV) require emissions-related campaigns to be completed prior to vehicle registration renewal. **When campaign work is done you must provide the owner with a signed “Vehicle Emission Recall – Proof of Correction” certificate (RC EMISCAVWAU).** Certificates can be ordered at no cost online via the Compliance Label Ordering portal.

**Please note:** This action is fully independent of the approved diesel modification recall on TDI vehicles. For owner convenience, this action can be performed at the same time as other service work, but can also be done independent of the diesel modification. Owners do not need to receive the diesel modification in order to receive this repair.

**-END OF MESSAGE-**

*Ensure all dealership personnel are aware of this notice so they are able to address customer questions. Contact Warranty if you require additional assistance. Direct press inquiries to Audi Public Relations.*
