Campaign Circular Revisions – Service Actions 93D2 & 93F1 / High-Voltage Battery

This notice is for:

- ✓ Dealer Principal
- ✓ General Manager
- ✓ Sales Managers

- ✓ Service Manager
- ✓ Parts Manager
- ✓ Service Advisor

- ✓ Warranty Administrator
- ✓ Technicians

Date: November 17, 2022

Revision Information:

Please note: The following information has been revised for the 93D2 & 93F1 Service Actions circulars:

- Removed claiming instructions for return and recycling, as this will be handled under the new process outlined in the “HV Battery Recycling Program Guide” found in ServiceNet -> Electric/PHEV Vehicles.
- Updated campaign expiration date.
- Updated return and recycling information for High-Voltage cell modules and batteries.
- Updated Storage and Disposition of Batteries information.

Please refer to the revised 93D2 & 93F1 Service Actions circulars published to ELSA and ServiceNet for complete information.

Please discard any paper copies you may have printed and ensure they are replaced with the most current version.

-END OF MESSAGE-

Ensure all dealership personnel are aware of this notice so they are able to address customer questions. Contact Warranty if you require additional assistance. Direct press inquiries to Audi Public Relations.
