**\*\*\* IMPORTANT SAFETY RECALL \*\*\***

**Safety Recall Notice 22S62 / NHTSA Recall 22V-731**

Your Vehicle Identification Number (VIN): See Listing

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Ford Motor Company has decided that a defect which relates to motor vehicle safety exists in your vehicle, with the VIN shown above.

We apologize for this situation and want to assure you that, with your assistance, we will correct this condition. Our commitment, together with your dealer, is to provide you with the highest level of service and support.

**What is the issue?** On your vehicle, the rear stabilizer bar attachment bracket(s) may break and separate from the vehicle during usage.

**What is the risk?** If the rear stabilizer bar attachment bracket(s) break or separate from the vehicle, the driver will not experience a sudden change in vehicle dynamics and the vehicle will remain stable. However, a separation of the attachment bracket while driving can create a potential road hazard for other road users, increasing the risk of a crash.

**What will Ford and your dealer do?** Ford Motor Company is working closely with its suppliers to produce parts for this repair. When parts become available, Ford Motor Company will notify you via mail to schedule a service appointment with your dealer for repairs to be completed free of charge (parts and labor). Parts are anticipated to be available first quarter of 2023.

**What should you do?** When parts are available, Ford Motor Company will send a letter to inform you that parts are available and to contact your dealer to schedule a repair. Ford has not issued instructions to stop driving your vehicle under this safety recall. When parts are available, you should contact your dealer for an appointment to have your vehicle remedied as soon as practicable. You can continue to safely drive your vehicle.

If you do not already have a servicing dealer, you can access [ford.com/support](https://ford.com/support) for dealer addresses, maps, and driving instructions.

If you are still having difficulty getting your vehicle repaired in a reasonable time or without charge, you may write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave. S.E., Washington, D.C. 20590 or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153) or go to [NHTSA.gov](https://www.nhtsa.gov). Reference NHTSA Safety Recall 22V-731.

**Please note: Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.**

Thank you for your attention to this important matter.
