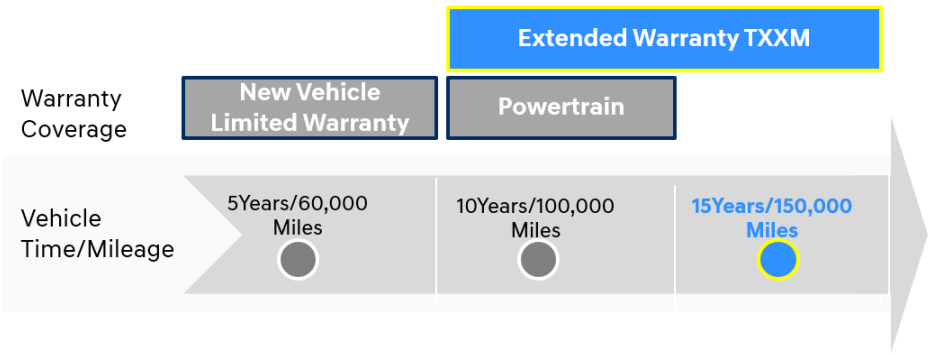
HYUNDAI Technical Service Bulletin	GROUP **ENGINE**	NUMBER **22-EM-006H-2**
	DATE **NOVEMBER 2022**	MODEL(S) **APPLICABLE VEHICLES BELOW**
SUBJECT:	ENGINE WARRANTY EXTENSION (TXXM)	

This TSB supersedes 22-EM-006H-1 to clarify warranty terms and PA submittal requirements.

Description: The warranty coverage for engine repair or replacement regarding engine damage or malfunction from connecting rod bearing wear has been extended to **15 years or 150,000 miles** from the date of original retail delivery or date of first use, whichever occurs first, and is valid for original and subsequent owners. Commercial entities and individuals engaged in the buying, selling, leasing, or renting of motor vehicles, as well as salvaged vehicles, are ineligible for the extended warranty.

All TXXM vehicles are eligible for the Knock Sensor Detection System (KSDS) software (Service Campaign 966 or 982). Customers are strongly encouraged to complete the KSDS installation, which has been communicated to customers as a requirement for coverage under the extended warranty. Previously recalled vehicles under Recall 198 and Recall 209 are exempt from the KSDS requirement. **Regardless of KSDS completion, dealers should follow the notice described below and always submit a Warranty Prior Approval request on all applicable vehicles that exhibit the conditions above within the extended warranty period**.



NOTICE

A Warranty Prior Approval (PA) must be submitted on all applicable vehicles that exhibit the conditions above within the extended warranty period. PA will provide detailed confirmation of engine approval or denial based on all available case details and applicability of any related terms.

Refer to Service Campaign T6G TSB 22-01-023H-2 (or latest version) for the engine inspection/replacement procedure.

Refer to TSB 22-01-024H-2 (or latest version) for applicable campaign part numbers and labor ops.

Circulate To: General Manager, Service Manager, Parts Manager, Warranty Manager, Service Advisors, Technicians, Body Shop Manager, Fleet Repair

Applicable Vehicles:
