

GPOP - Issue Review System

Part Number: 68305566A\$

Part Description: LATCH, Liftgate

Issue Description: If the Power Liftgate Latch is not releasing or latching when the customer requests the gate to operate, and your Dealership is located in the Detroit Metro area, please contact FCA Redacted Content prior to replacing the liftgate latch. If no response in 15 minutes, refer to Star Online Publication S2223000021 before replacing the latch.
