Case Number: S2202000004

Release Date: April 2022

Symptom/Vehicle Issue: WL Air Suspension Control Module ASCM Service flash is for new part replacements ONLY

Discussion: Service flash is for new part replacements ONLY. The flash file allows service technicians to flash the applicable damping calibration on the new module. The flash is not intended to be used as an “over flash” of a module already programmed and operational on a vehicle.

This document does not authorize warranty repairs. This communication documents a record of past experiences. STAR Online does not provide any conclusions about what is wrong with the vehicle. Rather, it captures all previous cases known that appear to be similar or related to the vehicle symptom / condition. You are the expert, and you are responsible for deciding on the appropriate course of action.
