Subject: Update: Stop Delivery Order for N222376920 – Wheelhouse Liner Build Shy
Pre-shipment of Parts Complete

Model: 2022 Chevrolet Equinox

To: All General Motors Dealers

UPDATE ON STOP DELIVERY ORDER

For 2022 model year Chevrolet Equinox vehicles included in Stop Delivery N222376920, all parts have now been pre-shipped for the remaining impacted vehicles. If you have not received the pre-shipped parts to complete the retrofit, all order restrictions have been removed and orders can now be placed as required. The repair bulletin is available in Service Information (SI).

As a reminder, it is imperative that these vehicles are NOT sold or delivered to customers until this retrofit has been completed. Please make every effort to retrofit these vehicles immediately.

Global Warranty Management (GWM)

Please verify a VINs involvement in this field action by checking in IVH. IVH is the best source for individual VIN inquiries. A list of all remaining vehicles that are in an Open status in IVH is attached to this message.
