Original Publication Date: November 2, 2022

To: All Toyota Region and Private Distributor General Managers / Vice Presidents

From: Gary Ross 
Vice-President, Product Quality and Service Support**LIMITED SERVICE CAMPAIGN 22TD05 (Remedy Notice)****Certain 2023 Model Year bZ4X Vehicles
Software Update for “Car Finder” Feature****Specific information for Region support is provided below.****Software Update**

The Car Finder app, which is included with a Toyota One app subscription, operates the headlights to help locate the vehicle in a parking lot. Updated software is available to improve system operation. When the headlamp switch is off, the new software keeps the headlamps on for about 60 seconds unless prior to that you unlock or open the driver’s door or turn the ignition on. This update is available whether or not you currently have a subscription or decide to subscribe in the future.
