

## GPOP - Issue Review System

**Part Number:** 68438720A\$

**Part Description:** HEATER, Electric Coolant

**Issue Description:** Please make sure the technician reviews SOL Publication S2208000041 for the 2021 RU, and SOL Publication S2208000042 for the 2022 RU. There have been many Electric Coolant Heater orders and replacements when the part replacement is unnecessary. The released SOL Publications provide guidance to properly identify if this part actually needs to be replaced.
