DESCRIPTION:
To change the Service Reminder Interval in the new XC90, MY2016, only preprogrammed values can be set.

The available values are listed below, together with the Software Product that needs to be downloaded.

* From MY2017, the programming of user defined service interval is done by downloading SP: 31453582, "DIM-USER DEFINED APPLICATION".
* This will allow you to set each value (distance, time and engine time) individually.
