SITUATION

BMW AG has issued a Delivery Stop (effective December 1, 2022) on certain Model Year 2023 BMW iX SAV vehicles that were produced between October 6, 2022 and November 7, 2022.

Due to a supplier production issue, it may cause the electric drive unit to fail.

Do not deliver to a customer, a New, Certified Pre-Owned or Used vehicle subject to a Delivery Stop, until the vehicle is repaired. Do not use or sell replacement equipment/parts subject to a Delivery Stop.

The bulletin will be updated when additional information becomes available.
