Background

American Honda Motor Co., Inc. (AHM) is searching for certain 2020-2022 Pilots with a customer complaint of the driver's side 3rd row headrest not staying upright. To better understand the cause of this condition, AHM would like to collect specific parts from the vehicle prior to you attempting a repair of any kind.

Qualifiers

AHM is interested ONLY if the vehicle meets the following requirements:

1. For 2020MY, the VIN must be AFTER 5FNYF6...LB000116.
2. All 2021MY & 2022MY VINS are accepted.
3. Driver's side 3rd row seat headrest mechanism and rear seat frame have not been replaced previously.
4. No repair has been attempted for this issue.

Action Required

If a vehicle matching the qualifiers above comes into your dealership, please e-mail Technical Information & Support (TIS) at tis@ahm.honda.com. TIS will contact you to record certain vehicle information and provide you with further instructions.

Please be sure to include the following information in your e-mail.

E-mail Title:

1. Model Year (e.g. 2020)
2. Model Name (e.g. Accord)
3. Issue (e.g. Brake Judder)
4. VIN

E-Mail Body:

1. Dealer Number
2. Your Name
3. Best Phone Number to be Reached
4. Current Mileage
5. DPTS#

As a gesture of appreciation to dealer technicians who identify and report a vehicle that meets the qualifiers, was accepted as a candidate and is the subject of a successful Dealer Visit/Parts Collection/Info Collection, AHM will provide the referring technician with a Visa gift card. Technical Information & Support (TIS) will provide additional information if this situation applies.

Thank you.
