Purpose for Parts and Accessories Bulletin

To inform California Harley-Davidson dealerships that select Screamin' Eagle accessories have been granted Executive Order (EO) approval by California Air Resources Board (CARB) for use on select 2022 Revolution® Max powered vehicles.

Markets Affected

California only.

Summary

The following Screamin' Eagle products can now be ordered for California Harley-Davidson dealerships.

Key Messages:

- CARB has provided EO approval to advertise, sell, and install specific Screamin' Eagle Revolution® Max air cleaner and Pan America Quickshifter products.
- These California part numbers can be ordered effective immediately.
- New 2022 part numbers can retrofit back to previous models which is called out in the product's fitment statement.
- New California specific part numbers have been created and are listed below
- Important:** Previous 2021 products cannot be installed on 2022 vehicles. Installation of non-approved product is a violation with CARB and could result in fines.
