Chevrolet	Traverse	2022 - 2023	All	All	All	All
GMC	Acadia	2022 - 2023	All	All	All	All

Involved Region or Country	North America
Condition	A customer may state that they hear a whining noise when turning the steering wheel. The customer may also state that the longer the vehicle is driven the more consistent the noise becomes.
Cause	Engineering is investigating to determine the root cause.

### Correction:

Do not perform any repairs at this time.

A bulletin will be released when a repair is made available.

Please advise the customer that the vehicle is safe to drive and that no harm to steering components will result from driving it with this noise.
