Background

American Honda Motor Co., Inc. (AHM) is searching for certain 2022 Civics with a customer complaint of the speaker sound distorted or no sound. To better understand the cause of this condition, AHM would like to collect specific information from the vehicle prior to you attempting a repair of any kind.

AHM is interested ONLY if the vehicle meets the following requirements:

1. Trim must be Si, Touring or Sport Touring.
2. Must be able to duplicate the issue.
3. No previous replacement of the speaker assembly.
4. No repair has been attempted.

Action Required

If a vehicle matching the description above comes into your dealership, please e-mail Technical Information & Support at tis@ahm.honda.com, or call us at 800-880-1072 (Monday-Friday, 7am-5pm PST). TIS will contact you to record certain vehicle information and provide you with further instructions.

As a gesture of appreciation to dealer technicians who identify and report a vehicle that meets the qualifiers, was accepted as a candidate and is the subject of a successful Dealer Visit/Parts Collection/Info Collection, AHM will provide the referring technician with a Visa gift card. Technical Information & Support (TIS) will provide additional information if this situation applies.

Thank you.
