

Suburban Range LED Lights

Description

On certain 2023 Heartland Big Horn, Big Country, Milestone, Elk Ridge, and Big Horn Traveler fifth wheels, an assembly error by our external vendor could cause the LED front switch lights to short out on the face plate. This could cause the 15-amp fuse to blow.

VIN Range Effected

5SFMG4323PE518535 - 5SFRG4222PE523121 *non-sequential*****

Range model number

3704A manufactured before 2/20/23.
