

WPA2 Workshop campaign – Checking tires and replacing it if necessary

WPA2 Workshop campaign - Checking tires and replacing it if necessary

ID Number	WPA2
Models	Taycan (Y1A/Y1B)
Model Years	2022 - 2023
VIN List	Attached
Number of Affected VINs	240
Issue Description	<p>On the affected vehicles, there is a possibility that tires have been fitted that do not comply with the approved specifications.</p> <p>If this is the case, noise developments in the passenger compartment and steering wheel vibrations can occur independently of load, particularly at speeds between 37 and 56 mph (60 and 90 km/h).</p> <p>For this reason, the tires must be tested during a test drive and replaced depending on the result of the test.</p>
What Dealers Should do	<p>Please arrange for this measure to be carried out as soon as possible on affected vehicles. As of the time of this posting (3/17/23), the repair is immediately available.</p> <p>Parts can be ordered as needed.</p>
TI Number	No. 5-23

Required parts and materials

No parts and consumable materials are required to test the tires.
The forecast failure rate is only 10%.

Part number	Designation	Quantity/vehicle	Parts return
WPA20000001*	2x tires on front axle	1 piece	No

WPA2 Workshop campaign – Checking tires and replacing it if necessary

265/35 R 21 Continental
ProContact RX NF0
2x tires on rear axle
305/30 R 21 Continental
ProContact RX NF0

WPA20000002** Expendable items 1 piece No

* For warranty processing, the part number with the designation 'Tires' can be invoiced as an additional part in the warranty claim. Amount as per invoice.

**For warranty processing, the part number with the designation "Consumable material" can be invoiced as an additional part in the warranty claim. Maximum amount \$11.55.

Please note: The removed Goodyear tires must not be re-used. Following removal, the tires must be rendered unusable by making cuts in the tire sidewall using a knife. The tires must then be disposed of. Attach a verifiable photo that clearly shows the DOT number to the warranty claim.

Warranty processing

Validity:

This workshop campaign will be carried out up to February 16th, 2028 and will be closed on that date.

Please note that warranty claims can only be processed up to this date.

Scope 1 - 4:

Please note that each vehicle is assigned to all levels of service.

The respective scope is determined depending on the result of inspection.

Damage Code	WPA2 66 000
Repair Code	1/2
Labour time	11 - 203 TU

The campaign that was carried out does not need to be entered in the Warranty and Maintenance booklet for this campaign.

Customer mobility

(Applies only to Scope 3 and 4)

If requested, mobility for the affected customer can be guaranteed by offering a suitable replacement vehicle.

Please invoice this additional service via WWS with the campaign scope.
