LX600 REMANUFACTURED AUTOMATIC TRANSMISSION

3-2-2023

Bulletin 2023-11

Page 1 of 1

Lexus is pleased to announce the immediate introduction of an additional remanufactured automatic transmission to the Genuine Lexus Remanufactured Product Line.

Availability of this part number supports Lexus' commitment to customer satisfaction and retention by reducing the cost of ownership while providing Lexus quality and value through savings over new part prices. (Wholesale and retail prices are suggestions only)
