Bendix Camera Bracket Install

Subject

02-178 - Bendix Camera Bracket Install

Whats New Abstract

Fix As Fail – Certain 579, and New Model 579 chassis that were manufactured with a Bendix forward looking camera system may experience bracket failure causing the bracket and camera to fall from the windshield.

Condition

Bendix bracket and associated forward looking camera may fall from the windshield.

Chassis Affected

Model 579, and New Model 579 chassis manufactured with the Bendix forward looking camera system from 01/01/2019 through 12/31/2021.

Action

Fix-As-Fail

If a customer comes into your dealership and demonstrates the condition above, replace the Bendix bracket and then re-install the existing camera unit into the new bracket per the procedure provided.

Warranty

Through Standard Warranty or any applicable active Extended Warranty, Peterbilt will pay for parts at dealer net plus applicable mark-up and labor:

- 0.3 hours labor to replace the Bendix bracket and re-install the existing camera unit into the new bracket on the windshield using the provided procedure.
Use Quick Claim code **02178A** for claims under Standard Warranty 12 months / 100,000 miles.
Use Quick Claim code **02178B** for claims under Extended Warranty (any Warranty agreement beyond 12 months / 100,000 miles).
