Looking for warranty replacement:
Found during relight that there is now water flow from the pump. Made sure tank has water and the valves are set to the appropriate setting. When turned on the water pump does operate but no water flow. Removed from coach and bench tested pump, no flow was achieved. Recommend replacing water pump. 0.5 approved contact Shurflo for warranty part.

The time approved is 0.5 hour to R/R water pump.
Warranty part pump will come directly from Shurflo communicate this with them.
