

Dear FirstName

Our records indicate that you are the owner of a Triumph Tiger 1200 (Tiger 1200 GT, Tiger 1200 GT Pro, Tiger 1200 Rally Pro, Tiger 1200 GT Explorer and Tiger 1200 Rally Explorer). We hope that you are enjoying your motorcycle and we thank you for being a member of the global Triumph family.

Triumph is truly committed to providing you a premier ownership experience and where improvements are identified by our engineers, no matter how small, we are keen to share these with you as soon as is practical. We would like you to benefit from some developments recently identified.

We have recently introduced an improvement to the gear change and clutch lever feel. These modifications have already been introduced to motorcycles currently in production at Triumph, and your motorcycle may already benefit from some of these. Purchasers of new Tiger 1200's will benefit from these upgrades.

The good news is that any improvements made since you purchased your motorcycle are retrofittable and will bring your bike immediately up to date with up-to-the-minute current production machines. These are available to you now, at no cost to you.

To take advantage of this offer please contact your Triumph dealer who will be pleased to make an appointment and carry out any required upgrades. It is worth repeating that these are provided with our thanks for choosing Triumph and becoming a Tiger 1200 owner and, with our compliments - free of charge.

If you are no longer the owner of a Tiger 1200 and know the whereabouts of the new owner, please forward these details to that person. Alternatively let us know and we will try to make contact. If you have changed address, please let us know and we will update our records.

Unfortunately, the impact of Covid remains with us, so please abide by national guidelines.

The Tiger 1200 family is arguably the most versatile of all model types and we hope that you are making plans to get the very best out of this wonderful motorcycle, be it a biking holiday or simply choosing the impromptu long route home over the shorter distance. However you choose to use your Tiger 1200, we wish you many miles / kilometers of enjoyable motorcycling.

Kind regards

**Triumph Motorcycles Ltd.**
