 From: Technical Information & Support Group  
 RE: Request for Visit: 2023 Accord Steering Off-Center/Vehicle Pulls (**ACTION REQUIRED**)

This message is solely directed to Honda dealership personnel; please handle it accordingly.  
 Print this iN message and provide a copy to the Shop Foreman and all Service Advisors.

**Background**

American Honda Motor Co., Inc. (AHM) is searching for certain 2023 Accords with a customer complaint of the steering wheel off-center or the vehicle pulling without LKAS interference. To better understand the cause of this condition, AHM would like to inspect the vehicle prior to you attempting a repair of any kind.

**Qualifiers**

AHM is interested ONLY if the vehicle meets the following requirements:

1. Must be able to duplicate the issue with LKAS turned off.
2. Vehicle with this issue found during PDI is also accepted.
3. Repeat complaint is also accepted.
4. No repair has been attempted for this issue.
5. Vehicle has not been involved in a collision.

**Action Required**

If a vehicle matching the qualifiers above comes into your dealership, please e-mail Technical Information & Support (TIS) at [tis@ahm.honda.com](mailto:tis@ahm.honda.com) or call us at 800-880-1072 (Monday-Friday, 7am-5pm PST). TIS will need to record certain vehicle information and provide you with further instructions.

Please be sure to include the following information in your e-mail.

E-mail Title:

1. Model Year (e.g. 2020)
2. Model Name (e.g. Accord)
3. Issue (e.g. Brake Judder)
4. VIN

E-Mail Body:

1. Dealer Number
2. Your Name
3. Best Phone Number to be Reached
4. Current Mileage
5. DPTS#

As a gesture of appreciation to dealer technicians who identify and report a vehicle that meets the qualifiers, was accepted as a candidate and is the subject of a successful Dealer Visit/Parts Collection/Info Collection, AHM will provide the referring technician with a Visa gift card. Technical Information & Support (TIS) will provide additional information if this situation applies.

Thank you.
