DATE: May 25, 2023
TO: Mitsubishi Motors US Dealer Service Managers
RE: Scramble Activity Request for Headlights Inoperative (Outlander Sport)
TIN NO.: TIN-23-54A-001

.....

AFFECTED VEHICLES: 2019-Current Outlander Sport

ATTENTION:

Mitsubishi Motors North America (MMNA) is releasing this TIN to ask all dealers to call in for "Headlights Inoperative" concerns on Outlander Sport. **Mitsubishi Motors would like to perform an on-site inspection of a vehicle exhibiting this condition as soon as possible.** Please contact Robert McCormick at MMNA when you encounter such a case.

PURPOSE:

MMNA is looking for a scramble opportunity on a Outlander Sport that displays "Headlights Inoperative" issue. If the vehicle has this issue, please stop your diagnosis and create a Techline case. Then, contact the MMNA associate listed below and he will guide you with further questions and instructions.
