

Field Action Number:

N23-240852

Release notes:

(There may be future updates under this same release number.)

Your Cadillac keeps getting better. This software update includes the following if your vehicle is equipped:

Refinements:

Updates made to the network connectivity to prevent unwanted interruption of emergency calls.

Updates made to the Adaptive Cruise Control functionality for improved performance and smoother driving experience.

Updates made to the overall vehicle software update process.

Updates made to the Super Cruise driver assistance technology for enhanced lane changes, improved tunnel performance, and an overall upgraded driving experience.

A variety of other minor software updates to make your driving and in-vehicle experience better.
