**2018-2019 MY KIA SORENTO VEHICLES
LOW-PRESSURE FUEL PUMP LEAK
NEW VEHICLE LIMITED WARRANTY EXTENSION**

PLEASE KEEP THIS LETTER IN THE GLOVEBOX OF THE VEHICLE

June 30, 2023

Dear Kia Sorento Owner:

Kia America, Inc. takes pride in providing you with high quality and dependable vehicles. In order to maintain these standards, **Kia is extending the New Vehicle Limited Warranty coverage, to all owners, for repairs related to the low-pressure fuel pump in 2018-2019 MY Sorento vehicles from 5 years / 60,000 miles to 15 years / unlimited miles, whichever comes first, starting from the date the vehicle was first put into service.** The low-pressure fuel pump in your vehicle may develop a fuel leak over time and after prolonged exposure to extreme high temperatures due to insufficient thickness of the fuel pump port.

Warranty Extension Coverage:

- If, at any time within the extended warranty period, you experience a fuel odor and/or a fuel leak, your authorized Kia dealership will diagnose the cause at no cost to you.
- Dealers will inspect the low-pressure fuel pump to determine if fuel is leaking at the fuel pump port. If a leak is found at the fuel pump port, the low-pressure fuel pump will be repaired by replacing the fuel plate and bracket with a new one at no cost to you under this warranty extension.
- If diagnosis reveals that your vehicle has an unrelated issue(s), any necessary repairs will not be covered under this warranty extension and your dealer will advise you what the associated repair cost(s) will be if no warranty coverage applies.
- This extension to Kia's New Vehicle Limited Warranty does not alter the limitations and exclusions contained in that New Vehicle Limited Warranty including abuse, neglect, or external damage.

What Should You Do?

- Unless you experience a fuel odor and/or a fuel leak, you DO NOT need to bring your vehicle to a Kia dealership for the purpose of this warranty extension.
- However, if you do experience the above concern(s), please contact an authorized Kia dealership to make an appointment to have your vehicle diagnosed at no cost to you.
- To find your nearest dealer, visit www.kia.com and click the "Find Dealer" button in the upper right corner ("Dealers" on a mobile device). You can also use the QR code below with your mobile device to access this information (*see the bottom of this letter for more information about QR code use*).

When seeking service, provide this letter to your servicing dealer. If you sell your vehicle, ensure that you include this letter with the documents you provide to the buyer.
