**Upgrade Pushers for the VAS5237**

Technical Support  
**2311** USA Only

Porsche Cars has identified the need for an upgrade to the VAS5237. PNA5237SET will replace the original pushers of the VAS5237 with a more robust machined set. To install, unscrew the original pushers and thread on the replacements. Take care not to damage the threaded push rod. Additional PNA5237SET will be available after the completion of the auto-shipments. This package will be delivered via automatic shipment as Minimum Required Tools (MRT). Shipments from the Atlanta PDC will start on June 26, 2023.

For questions regarding this shipment create a PRMS ticket. Technical Support > Special Tools
