Notes

Technical background

A small batch of Electronic Park Brake actuators (EPB) require replacement, the specific batch of parts were identified during a supplier quality inspection

NOTE: The operative MUST refer to the attached VIN list, the list contains all VIN applicable information relating to which part should be replaced as follows:

- Left hand side only
- Right hand side only

Or

- Both sides (Left and right hand side)

Remedy

The VIN applicable parts should be replaced as instructed within the Work section

Customer notification

The instructions within this Service campaign should be conducted at the nearest opportunity

Make a note of the required action on the workshop order before it is signed by the customer

If it is omitted to perform the work required during a workshop visit, the customer should be notified immediately

You should also pass on this information to your new and used car sales departments so that affected vehicles are checked and repaired immediately

Check

If the vehicle is not already listed as repaired in the 'Repair history' section of Elsa Pro, check for the presence of the red campaign completion mark (Refer to the Identification section)

In the event that the service campaign has not been applied, please carry out the required work in accordance with these instructions.

Genuine parts

Part Number	Description	Quantity
Refer to ETKA	Left hand EPB actuator	1
Refer to ETKA	Right hand EPB actuator	1
Refer to ETKA	EPB actuator fixings	2 (per side)
Refer to ETKA	Rear brake calliper fixings	2 (per side)

Work

- 1) Refer to the attached VIN list to confirm which parts are required to be replaced on each individual VIN
- 2) Once confirmed - Referring to Rep.Gr 46 - Replace the VIN applicable EPB actuator(s) noting the following:

Single use items:

Within this procedure there are single use items which must be replaced and not reused. Ensure that new replacements are available prior to starting this procedure

NOTICE

NOTICE: There is no requirement to raise a DISS query when ordering replacement parts for this service campaign

3) Once the VIN applicable EPB actuator has been successfully replaced - Apply a red paint completion mark as shown within the Identification section

Identification

Red paint completion mark on the right hand side engine partition brace confirms completion (Figure 1)
