

Field Action Number:

N23-240574

Release notes:

(There may be future updates under this same release number.)

Your GMC Hummer EV keeps getting better. This software update includes the following if your vehicle is equipped:

Refinements:

Updates made to the overall vehicle software update process.

Updates made to improve connectivity within Apple CarPlay, Bluetooth & SiriusXM.

Updates made to the long range radar functionality to enhance alignment during height changes.

Updates made to the wireless charging functionality to provide a faster charging experience for iPhone 12 or newer.

A variety of other minor software updates to make your driving and in-vehicle experience better.
